Passion of Christ Strengthen Me

Today's Saint: Sts. Timothy and Titus

In Titus we get another glimpse of life in the early Church: great zeal in the apostolate, great communion in Christ, great friendship. Yet always there is the problem of human nature and the unglamorous details of daily life: the need for charity and patience in "quarrels with others, fears within myself," as Paul says. Through it all, the love of Christ sustained them. At the end of the Letter to Titus, Paul says that when the temporary substitute comes, "hurry to me."

"But when the kindness and generous love of God our Savior appeared, not because of any righteous deeds we had done but because of his mercy, he saved us through the bath of rebirth and renewal by the holy Spirit, whom he richly poured out on us through Jesus Christ our savior, so that we might be justified by his grace and become heirs in hope of eternal life. This saying is trustworthy" (Titus 3:4-8).
